FOR IMMEDIATE RELEASE
9AM EDT, November 6, 2006

U.S. COMMERCE AND CONGRESSIONAL OFFICIALS HONOR

SCREEN MACHINE INDUSTRIES, INC. FOR EXPORT ACHIEVEMENT

Mr. David Spooner, U.S. Department of Commerce, Assistant Secretary of Import Administration and the Honorable Patrick Tiberi, U.S. House of Representatives (OH-12) visited the corporate headquarters of Screen Machine Industries, Inc. on Friday, November 3, 2006 to discuss the benefits of trade to the U.S. and Ohio economies as well as the American Competitiveness Agenda during a visit to the Columbus area. Mr. Spooner oversees the department's Import Administration (IA), which ensures a level playing field for America's industries in the competitive global market, enforces laws and agreements to prevent unfairly traded imports and safeguards jobs and the competitive strength of American industry.

Steve Cohen, President of Screen Machine Industries accepts awards from Mr. David Spooner (above) and from the Honorable Patrick Tiberi on Friday.

Following the briefing, U.S. Department of Commerce Assistant Secretary David Spooner presented an Export Achievement Certificate to Screen Machine Industries, Inc. for making its first export sale and expanding into new international markets, the award recognizes U.S. companies that have benefited from export services of the Department's U.S. (more)
