Screen Machine Industries Welcomes Congressman Pat Tiberi

Discussing Industry Pertinent Topics and a Q&A Session

Etna, Ohio, August 19, 2014: Ohio Congressman Pat Tiberi discussed the latest developments with the national debate on US infrastructure funding and the Export-Import Bank reauthorization bill with Screen Machine staff & affiliates. A robust Q&A session with the gathered crowd followed his updates. We thank Pat Tiberi for his efforts on these industry pertinent topics.
